BUILT FOR THE WHOLE SIGNAL.

Dude McGee is an independent recording artist, songwriter, producer, multi-instrumentalist, and lifelong live performer from North Central Arkansas in the Ozarks. His catalog moves across electronic music, rock, pop, country, blues, and whatever language best serves the song.

He writes, performs, records, produces, mixes, and masters every release. He also creates the artwork, videos, and supporting media.

CHILDHOOD

Began performing live several days each week in church, later serving as a youth music minister.

TULSA

Moved to Tulsa, Oklahoma and fronted a working Top 40 rock band as lead singer and guitarist, often performing three to five shows per week.

SKITZOFRENZY

Developed a live electronic project combining keyboards, vocals, and dance-music mixing for rave-style shows.

DUDE MCGEE

Brings those years of stage experience into a self-produced, multi-genre artist project and is open to the right live opportunities.

DIGITAL DREAM

03 / CURRENT RELEASE

DIGITAL DREAM

The electronic opening chapter of a wider catalog, chosen because its lyrics capture the tension between the human world we have always known and the strange digital world now surrounding it.
